Peel-Off Gels The New Generation

The Alginate Peel-Off Gels™

The Alginate Peel-Off Gels™

Natural Peel-Off Gels New Generation

Cimaprem renews professional cosmetics by developing a resourceful, attractive and efficient innovation.

- ✔ a revolutionary ready to use and natural product.
- ✔ a transparent or opaque resulting cosmetic with cryo, thermo or neutral feeling that can incorporate the full range of cosmetic actives.
- ✔ a technology including visual effects : gold and precious stones flakes, flower petals and many more...
- ✔ a product customisation and packaging under your compagny name or in bulk.

Mix 2 gels

- ✔ a neutral base
- ✔ a customized actives gel

Choose

- ✔ the result (transparent or opaque)
- ✔ the setting time
- ✔ the texture
- ✔ the visual effect
- ✔ the fragrance
